EMPLOYEES ARE THE GREATEST POTENTIAL OF A COMPANY.

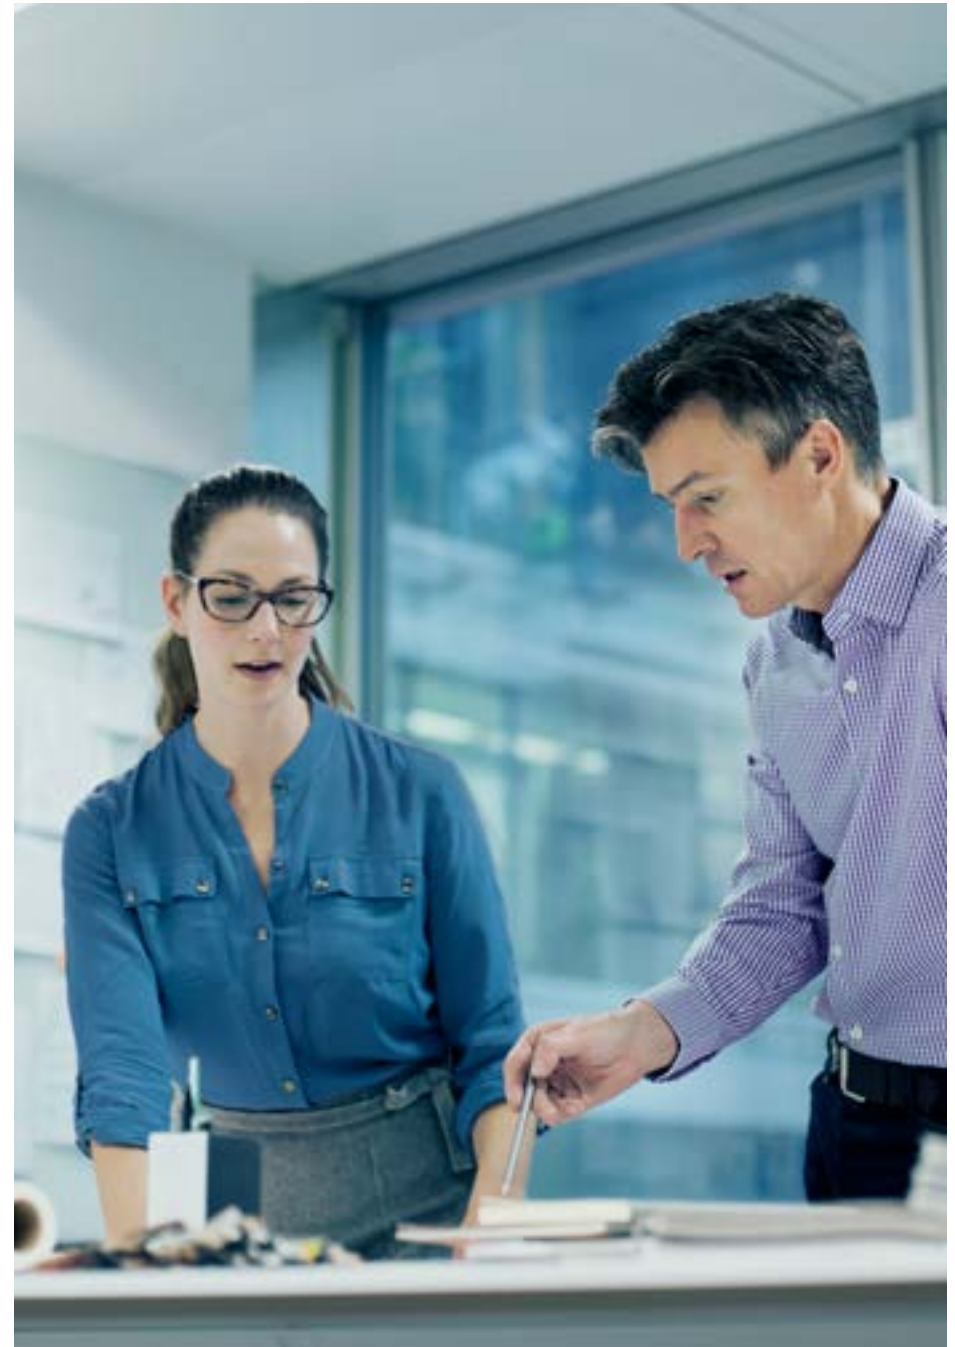

Alptekin Personalservice GmbH therefore believes that it is not enough to simply fill a position quickly.

We want to fill the position perfectly. With the right person, at the right time, in the right place. Employees who do not just help you out, but help to enrich your team - in business and as a human. Employees who may even become an integral part of your team.

WE SUPPORT COMPANIES AND EMPLOYEES

Since 1989, Alptekin Personalservice GmbH has helped fill open jobs quickly, efficiently, and economically. We support companies during peak production times and in filling short-term positions due to employee illness or holidays.

Our biggest advantage, and yours as well, is our flexibility. Is an order taking longer than you planned? Do you want to take on additional employees? No problem.

THE PILLARS OF THE ALPEKTIN PHILOSOPHY

FLEXIBILITY

We have built broad flexibility into our processes to ensure we can meet customer requests without compromises. We are close to our customers, offer insight into a wide variety of industries and can take on any challenge placed before us. With Alptekin Personalservice GmbH, you'll have a reliable partner at your side for any question related to personnel planning.

PERSONAL SERVICE FOR YOU

You can count on Alptekin Personalservice. It's important to us to ensure we're a company our customers can rely on. We are available via telephone at any time, can find direct solutions in special cases and emergencies and take on responsibility for our customers.

ON EQUAL FOOTING

Working with people takes authenticity. We work hard to create a harmonious company culture, then strive to present that culture to the world through our personnel. We value fairness and working with our partners on equal footing, both internally and with external customers.

FRIENDLY & CONFIDENT

Alptekin Personalservice has been building experience since 1989, making us an expert in personnel planning. We have been handling our work with professionalism and passion ever since – for ourselves and our customers. The long-term business relationships that have grown from this experience are a testament to our work ethic. We're proud of that.

THE LABOUR MARKET**

FURTHER EDUCATION

Stay relevant for potential employers: Secure your future on the labour market and continue your training with Alptekin Personalservice. We provide a wide range of continued training options to our employees. We also support them in vocational education and other training opportunities. You benefit from more ambitious job offers and better wage offers!

The strength of a company is its employees. Continuously challenging and promoting our team is important to us; our expertise and experience grows as our team attains new qualifications.

PERSONNEL PLACEMENT

PERSONNEL PLACEMENT BY THE EXPERT

We serve as a middleman between employees and employers in personnel placement. Our expertise allows us to create efficient and solution-focused measures for both sides. We specialise in finding and placing qualified employees.

PROFESSIONAL CANDIDATE SCOUTING

Our personnel placement services allow companies to effectively find the ideal candidates for their open positions. We work together to create a requirements profile based on desired services, then pre-select candidates from our applicant database. The broad range of our network allows us to find the right qualified employees. We specialise in finding ideal applicants as quickly as possible, then integrating them into your company.

OUTSOURCING

YOU CONCENTRATE ON YOUR
CORE BUSINESS

We also offer outsourcing of individual projects as another service to our customers. Companies sometimes receive inquiries they can't handle as part of their everyday business. We offer our customers outsourcing services in these situations. Alptekin Personalservice independently handles outsourced projects.

WE TAKE ON RESPONSIBILITY

We analyse requirements and independently develop appropriate work processes. Our experienced personnel and our many years of expertise in a wide variety of industries allow us to handle your orders successfully.

ON SITE MANAGEMENT

On site management means that we provide you with a direct contact person who can answer your questions at any time. Our coordinator is completely familiar with your company, meaning they can organise all of the personnel leasing for your individual company.

The on site manager can also train new personnel and help them get started – the company saves time and can concentrate on its core business.
